

STATEMENT OF PROPOSAL

Managed Web Infrastructure & Online Admissions Portal

Date: September 14, 2026

Ref Code: OLI-PROP-2026-V2

Billing Cycle: Annual (Year 1)

PREPARED FOR:

The Management & Admissions Board
Olistar Educational Complex
Sunyani Abesim, Bono Region, Ghana

PREPARED BY:

AMAKYE-DANSO GODSON
Lead Systems Consultant & Web Developer
Sunyani Abesim, Ghana

1. EXECUTIVE SUMMARY

This proposal outlines the deployment and annual cloud infrastructure requirements for the official **Olistar Educational Complex Web Portal & Online Admissions System**. While the complete frontend user interface, customized administrative portal, automated application generator, and database architecture development labor are provided **free of service charge (\$0.00)**, this statement covers the essential managed server, domain, security, and search engine infrastructure needed to operate the system reliably 24/7.

2. INFRASTRUCTURE COST BREAKDOWN

No.	Service Description & Scope	Annual (USD)	Annual (GHS)
1.0	Custom Domain Name Registration & Reservation Annual acquisition and DNS routing for institutional identity (e.g., olistar.edu.gh or olistaredu.com).	\$20.00	GH¢ 310.00
2.0	High-Performance Managed Cloud Hosting Deployment on Global Content Delivery Network (CDN) with 99.9% uptime guarantee and high-speed delivery across Ghana.	\$90.00	GH¢ 1,395.00
3.0	Cloud Database Operations & Authentication Secure Firestore database storage for student applications, reference tracking, and administrative access controls.	\$40.00	GH¢ 620.00
4.0	SSL Security Certificate (HTTPS) End-to-end data encryption for student application forms to guarantee privacy and security.	Included (\$0)	Included (GH¢ 0)
5.0	Search Engine Indexing & Local SEO Setup Configuration of Google Search Console, site map submissions, and integration with Google Business Profile for local visibility in Sunyani Abesim.	\$6.50	GH¢ 100.00

No.	Service Description & Scope	Annual (USD)	Annual (GHS)
6.0	PDF Engine & Administrative Portal Support Maintenance of automated application summary receipt generator and admin portal troubleshooting.	\$30.00	GH¢ 465.00
TOTAL ANNUAL INFRASTRUCTURE PACKAGE:		\$186.50	GH¢ 2,890.00

*Ghanaian Cedi (GHS) values are estimated at current standard conversion rates (1 USD = 15.5 GHS).

3. DOMAIN STRATEGY OPTIONS

- **Option A (Recommended): `olistar.edu.gh`** – Requires official school registration documents (GES certificate / Registrar General's documents). Provides highest official authority and trust for parents in Ghana.
- **Option B (Fast-Track): `olistaredu.com` / `olistareschool.education`** – Can be activated instantly within minutes without document verification delays.

4. CORE SYSTEM DELIVERABLES

- **Official School Web Portal:** Public informational portal detailing academic divisions, facilities, and contact channels.
- **Digital Admission System:** Public application portal issuing unique reference numbers (e.g., OLI-XXXXXX).
- **Automated PDF Receipts:** Immediate generation of printable application summary sheets featuring official headers upon submission.
- **Secure Administrative Portal:** Dashboard for school administrators to search, filter, review documents, and update applicant statuses in real-time.
- **Search Engine & Maps Visibility:** Indexing on Google Search and linkage to Google Maps for parents searching locally.

5. PAYMENT SCHEDULE & GOVERNANCE

- **Payment Terms:** 100% upfront payment upon proposal approval to enable domain reservation, CDN activation, and SSL issuance.
- **Renewal Cycle:** Annual cycle. Subsequent renewal will be due in September 2027.
